Realistic earning potential

> *Ranked by speed to first dollar. Every single one starts with $0. Pick ONE. Master it before adding a second.*

TIER 1: Money within 24–48 hours

1. Sell AI-written content (Fiverr / Upwork)

Write blog posts, product descriptions, emails with AI + your editing. **First 48h:** Create a Fiverr gig "I will write SEO blog posts with AI — edited by a human". Price $15/post. Share gig link in 5 Facebook groups. **Earning potential:** $100–$600/month part-time.

2. Resell free stuff (Facebook Marketplace)

People give away furniture, bikes, electronics for free. Clean them, photo them well, relist at 2–3× the effort. **First 48h:** Search "free" on Marketplace within 10 miles. Collect 3 items. Clean + photograph in daylight. Post same day. **Earning potential:** $200–$1,000/month depending on city.

3. Pet care / dog walking (Rover / local)

One satisfied client = repeat weekly income. No skills, no tools. **First 48h:** Sign up on Rover. Ask 5 friends to leave a review. Message 20 local dog owners on Nextdoor. **Earning potential:** $15–$25 per walk.

4. Tutoring (online or in-person)

If you're good at math, a language, or any school subject — parents pay. **First 48h:** Post in local parent Facebook groups: "£15/hr tutoring, first session free." **Earning potential:** $300–$800/month.

5. User testing (UserTesting / TryMyUI)

Get paid $10–$60 per 15–20 min website/app test. Zero skill needed. **First 48h:** Sign up on usertesting.com and trycloud. Complete your profile fully — more tests come to complete profiles. **Earning potential:** $100–$400/month.

6. Transcription (Rev / TranscribeMe)

Listen and type. Pays $0.30–$1.10 per audio minute. **First 48h:** Apply on rev.com. Pass the test. Start with the smallest files (fastest completion). **Earning potential:** $200–$500/month.

7. Virtual assistant (small businesses)

Handle emails, bookings, data entry for busy owners. 2–5 hrs/week each. **First 48h:** List yourself on Upwork as "Virtual Assistant — email & scheduling". DM 30 local businesses on Instagram offering a free 1-hour trial. **Earning potential:** $15–$30/hr.

8. Print-on-demand designs (Redbubble / TeeSpring)

Design on Canva (free), upload, never touch inventory or shipping. **First 48h:** Make 10 designs around trending topics (check Google Trends). Upload to Redbubble. Share on Pinterest. **Earning potential:** $50–$500/month (slow start, scales).

9. Selling notes / study guides (Studocu / Etsy)

Already took the class? Your notes are someone else's exam prep. **First 48h:** Upload your best 3 sets of notes to Studocu (free) and list a premium version on Etsy at $5. **Earning potential:** $50–$300/month passive.

10. Selling templates (Etsy / Gumroad)

Budget planners, resumes, Notion templates — build once, sell forever. **First 48h:** Make a budget tracker in Google Sheets. Export as PDF. Sell on Etsy for $4.99. **Earning potential:** $100–$1,000/month passive.

TIER 2: Money within 1–2 weeks

11. Video editing (Shorts / Reels / TikTok)

Businesses and creators pay $25–$100 per short-form video. **First 48h:** Download CapCut (free). Edit 3 sample videos from stock footage. Post them on TikTok. DM 50 creators offering one free edit. **Earning potential:** $500–$2,000/month.

12. Logo / graphic design (Fiverr / 99designs)

Canva + AI generators handle 80% of the work. Clients pay for your taste. **First 48h:** Create 5 sample logos. Post on Behance. Offer "3 concepts, 24h delivery — $25" on Fiverr. **Earning potential:** $300–$1,500/month.

13. Social media management (local businesses)

Cafés, gyms, salons need content but have no time. Do it for them. **First 48h:** Walk into 10 local businesses. Offer: "I'll post for you for 2 weeks free, then $200/month if you like it." **Earning potential:** $200–$800/month per client.

14. AI content writing agency

Offer "30 SEO articles/month" to small businesses using AI + editing. **First 48h:** Write 2 sample articles. Pitch 20 local businesses by email with one free sample. **Earning potential:** $500–$3,000/month.
